County Judge's Vision

"Where there is no vision, the people perish: but he that keepeth the law, happy is he."

— Proverbs 29:18 (KJV)

As Drew County Judge, I recognize that leadership is both a responsibility and a calling. With God as my guide, my vision for Drew County is one rooted in faith, unity, and steady progress. Vision is not always immediately seen by everyone, but it is revealed through commitment, integrity, and service.

My role as County Judge is to work for **all citizens of Drew County**, bringing people together—not dividing them. This is not about *I* or *me*; it is about **us**, working collectively to move Drew County forward. Progress is achieved when we listen, collaborate, and support one another.

As County Judge, I am committed to the continued improvement of our **roads, bridges, county buildings, and landfill**, ensuring that taxpayer resources are used responsibly and that our infrastructure remains safe, efficient, and prepared for future growth.

Looking ahead to the new year, my focus is on moving Drew County **forward**, not dwelling on the past. While we acknowledge where we have been, we will use those experiences to learn, improve, and make sound decisions for the future.

With faith in God, respect for the law, and cooperation among our citizens and county employees, Drew County will continue to grow stronger. Together, we will lead with purpose, serve with integrity, and build a better future for generations to come.
